When you love seafood, but live in the desert, the road to delicious satisfaction seems miles away. But did you know that La Quinta houses fresh, quality fish? The next time your mouth is watering for seafood and sushi, give Pokehana or Misaki Sushi a try!

**MUST ORDER: ALBACORE PAHALA**

• Poke bowls have been a quiet but rampant food trend the past several years, and now you can make your own at Pokehana. Customize your poke bowl with your favorite fish and toppings, or try one of their house-crafted creations like the Albacore Pahala. Fresh albacore, onion, cucumber, red cabbage, edamame, avocado, mango and other house-made toppings converge on your choice of rice or mixed greens for a refreshing flavor sensation like no other!

**Native Knowledge:** In a rush during your lunch break? You can order online to speed up the process so you can stay on track.

**MUST ORDER: WOW ROLL**

• If sushi is more how you roll—pun intended—Misaki Sushi & Grill is a La Quinta favorite. They have a wide selection of handmade traditional cut rolls, hand rolls and sashimi. You'll especially want to indulge in their Misaki special rolls. The Wow Roll is a hit—deep-fried soft-shell crab, crab meat, avocado, gobo and cucumber gets topped with spicy scallop. "Wow" indeed!

**Native Knowledge:** The spot is intimate and popular, and they do not accept reservations, so get there early or bring a book to pass the time while you wait!
